# CHARLES A. BELL

*President*

Candidate for Re-election

1989 is a crucial year for Newark schools, Newark students, Newark employees, citizens, and the determination of future direction for the city itself. On April 4th, voters will elect five school board members: three for three-year terms, and two for two-year terms, and determine by vote the budget for the schools.

Charlie Bell is running again to continue his leadership to the schools, the children and the voters who have supported him in the past. Charlie Bell has a distinguished record of service. He deserves your support.

His positive actions during the past 18 years have touched the lives of more than a generation of school children, improved the working conditions and lives of employees and residents. As president of the Newark Board of Education, Charlie Bell has provided the leadership which turned the schools around. Student grades are up! Test scores are up! Student attendance is up! Employee morale and attendance are up! Parent involvement is up! Charlie Bell has been the leader in turn around.

Now more than ever we need the experience, the spirit, the courage, and the Bell strength to prevail.

You can help the progress to continue by voting in the April 4th election for Charlie Bell, and his entire team, and by a yes, to the budget.

Call your friends, neighbors, relatives, co-workers. Urge them to do the same to support Charlie Bell and his team.
